Ventura County Community College District @OfficialVCCCD

Update: VCCCD will relax its indoor mask mandate on April 11 based on revised CDC guidelines and state and local public health orders. Masks will not be required, but

A modern experience that guides students, in a user-friendly interface, to the resources they need quickly and without any pesky passwords getting in the way.

Work with partners who know higher education.

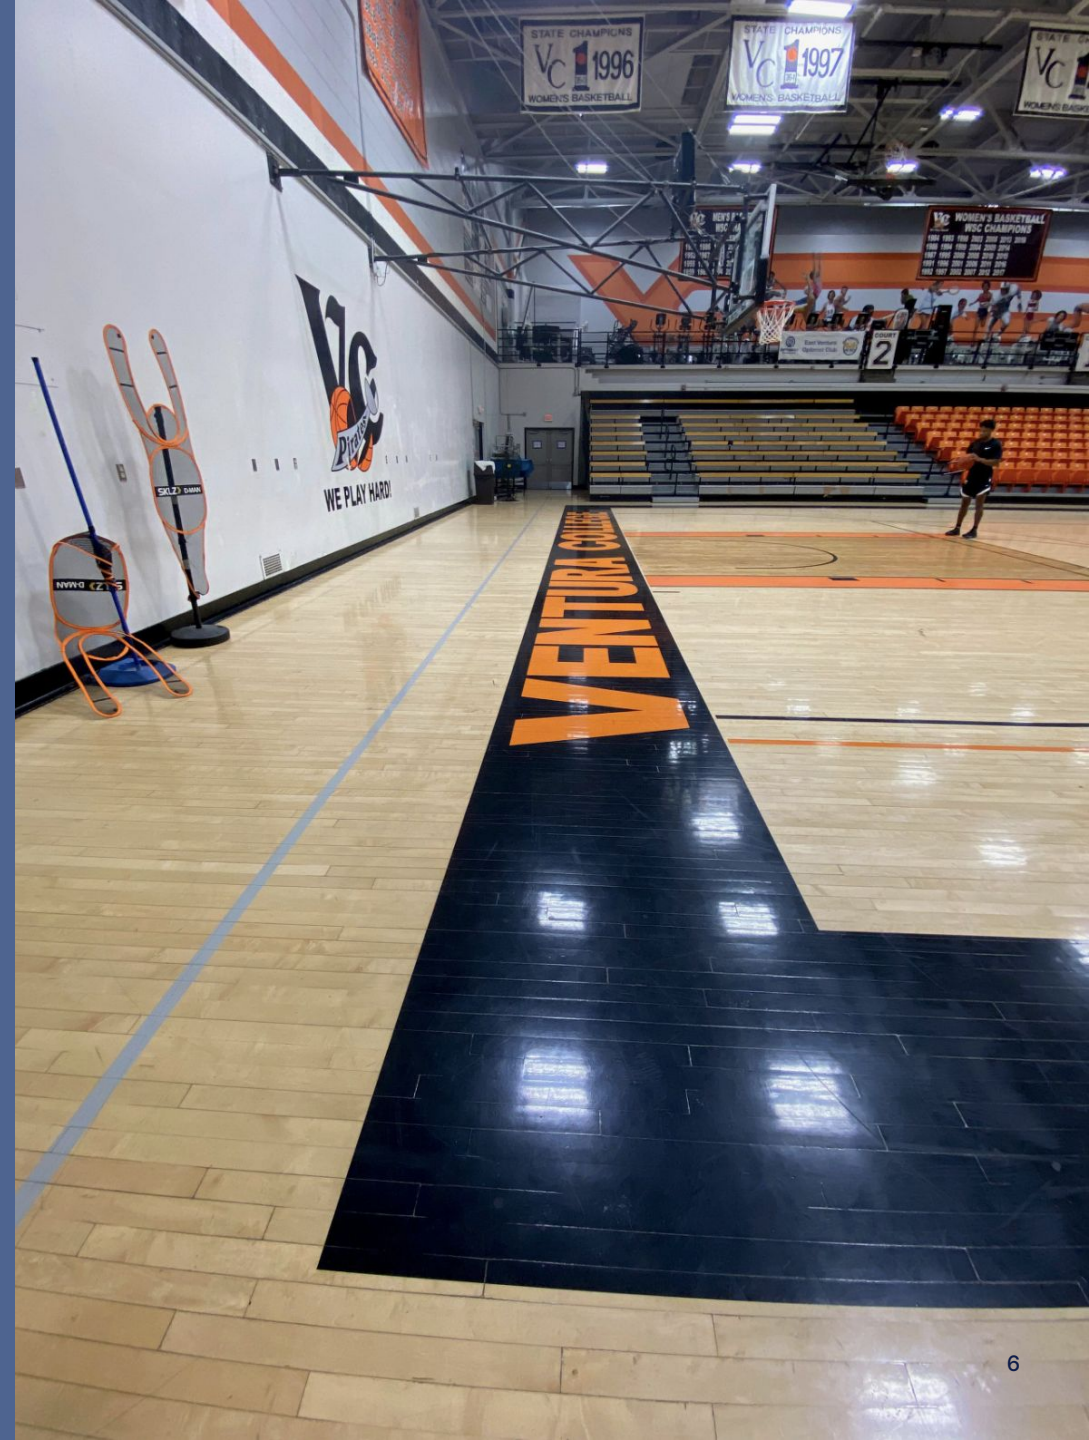

- Took on the heavy lifting
- Very responsive
- Value added services

The students love it!

IMPLEMENTATION

- Setup is easy – plug-n-play
- Portal switch over
- Excellent customer support

The students love it and appreciate having easy access to information and resources.

Lessons Learned

Look for vendors who understand community colleges and our needs.

Let's Do A Demo!
